

Transport for the North Board – Item 6

Subject: Updated Draft Corporate Risk Register

Author: Haddy Njie, Risk Manager

Sponsor: Iain Craven, Finance Director

Meeting Date: Wednesday 29 July 2020

1. Purpose of the Report:

1.1 Transport for the North has updated the Corporate Risk Register to reflect the Key Performance Indicators (KPIs) and business objectives outlined in the Business Plan for Financial Year 2020/21. In addition to the principal risks associated with the organisation's KPIs, the business has also identified and continues to manage the impacts of the coronavirus pandemic.

1.2 The intention of the report is to provide TfN Board Members with:

- An update on the organisational risks relating to the business KPIs/objectives which can be found in the Corporate Risk Register;
- Information on the additional risks that have arisen as a result of the COVID-19 pandemic.

2. Executive Summary:

2.1 It is essential that Transport for the North recognises, understands and manages the range of corporate risks that could negatively impact on its ability to achieve its objectives.

2.2 Transport for the North's corporate risks stem from the agreed KPIs and from a range of other sources, some of which are beyond Transport for the North's direct control. The challenges and uncertainty faced by Transport for the North create both threats that need to be addressed, and opportunities that can potentially be exploited.

2.3 Consistent with the Transport for the North risk management strategy, the Corporate Risk Register was discussed at the Audit and Governance Committee meetings on 12 June and 16 July 2020 and approved at the latter meeting for presentation to the Transport for the North Board.

3. Consideration:

- 3.1 Transport for the North's approach to managing risk is described in its Risk Management Strategy ("RMS") which sets out guidance for how risks are identified, assessed, managed and reported. The RMS has been applied in updating the Corporate Risk Register.
- 3.2 It is essential that Transport for the North and its programme teams recognise, understand and manage the risks that could negatively impact on the ability to achieve the objectives and priorities.
- 3.3 The TfN Board Members are asked to consider the corporate risks that the organisation is facing. In addition, Transport for the North is seeking approval from the Board on the Corporate Risk Register.

4. Recommendation:

- 4.1 The July TfN Board meeting provides an opportunity for Transport for the North to present the updated corporate risks that the organisation is managing. Board Members are asked to consider the report and to approve the corporate risk register.

5. Appendices:

- 5.1 Item 6.1 – Transport for the North's Draft Corporate Risk Register.
