This report, the Annual Governance Statement, was published as a draft in August, as required by statute, along with the Statement of Accounts and Narrative Statement.
- 3.2 The system of internal controls is all the measures taken together which Transport for the North has put in place to ensure that it safeguards public funds and delivers value for money. This includes Transport for the North's financial regulations and contract procurement rules which are set out in the Constitution. It also includes the risk management framework through which Transport for the North ensures that risks to its operations are identified and managed.
- 3.3 Throughout the year we have continuously reviewed the policies and procedures that Transport for the North has put in place since its inauguration in relation to procurement, financial management and risk management in order to identify areas for improvement.
- 3.4 In carrying out the annual review, Transport for the North is required to comply with the guidance issued by CIPFA in its guidance "Delivering Good Governance." The guidance sets out eight principles of good governance:

 - Members and officers working together to achieve a common purpose with clearly defined functions and roles.
 - Promoting values for Transport for the North and demonstrating the values of good governance through upholding high standards of conduct and behaviour.
 - Taking informed and transparent decisions which are subject to effective scrutiny and managing risks.
 - Developing the capacity and capability of members and officers to be effective.

- F. Engaging with local people and other stakeholders to ensure robust public accountability.
- G. Having regard to the promotion of sustainable economic growth, and the social and environmental impacts of its proposals.
- H. Having regard for the impact of current decisions and actions on future generations.

3.5 The review assesses to what extent Transport for the North can demonstrate that it has acted in accordance with these principles in carrying out its functions over the year 2022/23.
